

Tools & skills for policy practitioners

Darwin 3–4 December **WORKSHOP FEEDBACK**

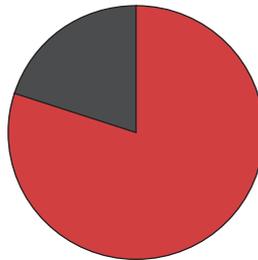

“ [I have] Greater confidence in developing / contributing to policies. ”

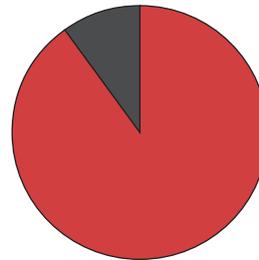

Worskop met or exceeded expectations.

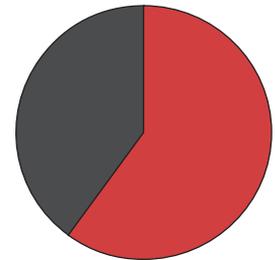

Tools and Skills gained at Workshop.

Presenters met expectations.

Recommend Workshop to others.

Further develop skills with us?

<p>How well did the workshop meet your expectations?</p>	Very well.
	Covered most content I expected and more - although would have liked more time to develop some things.
	I was nominated for the sessions, so I think my expectations were not accurate to the content.
	The course met my expectations.
	Well.
	Workshop meet all my expectations and more. A lot of food for though and areas/websites/resources to pursue.
	Well.
	Very well.
—	
Perfect!	

<p>Tell us what you liked most about the workshop.</p>	Links to Northern Territory. Very practical. Pleased to take home book.
	Group activity. Amount of resources.
	Everything as it was very new to my knowledge and therefore built my overall experience.
	I liked the wealth of information, resources and anecdotes.
	Practical information. Theory backed up with experiences.
	Interactiveness of sessions. Flexibility of sessions.
	Access to an insight on academic learning/research developments in various areas.
	Good coverage of principles. Real life examples.
<p>What understandings, tools and skills have you gained and what difference will these make in your practice following the workshop?</p>	The stakeholder interactive session.
	Discussion and perspective examples.
	Refreshed myself with the policy cycle. Use and homework now.
	Refresher of info and learnt lots of new info - need to read more to put into practice.
	—
	I think it will assist me in planning and implementing work.
	Always for project management framework manage stakeholders effectively.
	Engagement with stakeholders as well as just putting everything into perspective.
	An overview of one policy mailing landscape. Insights into why policy is difficult to do and why process is sometimes “messy”.
	Better understanding the structure of government. I will be better able to “aim” policy at the right level.
