1. Policy Issues

- What is policy? (From public policy to organisational policy)
- Policies vs procedures
- Policy as smoke screen or aspiration

2. Organisational policy

- Why do you need policies and procedures?
- What makes policies and procedures work?
- What does good policy look like?
- Your organisation: What do you have? What do you need?
- Managing policy development in a changing organisational environment

3. Policy approvers, responsible officers and users

- What do policy approvers, responsible officers and users want and need?
- Providing what they need: the briefing note and board paper
- Encouraging engagement and buy-in

4. What does good policy look like?

- Common threads and organisational differences
- Understanding successful policy
- Defining policy scope (and avoiding policy creep)
- Developing a policy framework
- Developing a policy template

5. Developing content for policies and procedures

- Research and needs analysis
- Engaging stakeholders
- Consulting across the organisation
- Checklists – friend or foe

6. Writing for clarity and purpose

- Working with your template
- Achieving the right style and tone
- Writing in plain English
- Writing strategies

7. Implementation and communication

- Achieving sign-off and agreement
- Integrating policy across the organisation
- Encouraging uptake
- Making policies findable and searchable
- Making policy part of everyday business
- Policy as part of workplace induction

8. Evaluation and long-term management

- Guiding and training authors
- Policy coherence and internal consistency
- Registering, revising and reviewing policies
- Evaluating policy and procedures
- Everything you still want to know
